Introduction to Auchnagatt School

Welcome to Auchnagatt Primary School. As Head Teacher, I hope that the partnership between home and school will be productive and enjoyable and that your child settles and enjoys his/her time with us.

We take pride in the fact that this is a happy and industrious school with a real sense of team spirit and we understand that the education of a child is far too important to be left to a school alone. Parents have a very important part to play too. This handbook aims to explain how that partnership develops successfully through help, support and expectations. Early communication from parent or school will help to promote this partnership also.

This Aberdeenshire Council handbook is designed to inform parents of as many aspects of life at Auchnagatt School as possible and has been written in response to School Handbook Guidance (Scotland) Regulations 2012.

We hope you find this handbook informative.

Auchnagatt School is a non-denominational school with a role of 49 pupils, it was opened in 1957 and replaced the two schools of Savocho and Clochan. In 2007 to accommodate pupils from the closure of the nearby Braeside School an extension for

office accommodation and a fully upgraded school meals kitchen was added. A car park was also added to the front of the school.

Auchnagatt School provides education for children aged 4 1/2 – 12 i.e. from P1 – P7. There are 3 classes and a teaching Head Teacher who are supported by a School Administrator, a Admin Support Assistant, two part time Pupil Support Assistants and a part time Janitor.

Our Active Schools Coordinator provides a range of additional active and sporting activities for the children.

The school has a supportive School Parent Council. There is also a Pupil Council in the school.

Pupils transfer to Mintlaw and Ellon Academies for Secondary Education.

Organisation of the School Day

9.00 – 12.15 (playtime 10.40 – 10.55)

13.15 – 15.15 (Lunch 12.15 – 13.15)

Devolved budgets are managed in accordance with authority guidelines in order to support planned improvements in the school.

Our Vision, Values and School Ethos

School Ethos

Today's children face a constantly changing world. At Auchnagatt we work together to build on their personal skills, interests, talents and strengths to develop the skills needed for today and meet the challenges of tomorrow.

Vision

Our vision for Auchnagatt School is a secure, happy place to learn where everyone is encouraged to take pride in themselves, those around them and their work and where everyone's efforts are valued and celebrated.

Values

- Show respect for yourself and others
- Have the confidence to tackle new challenges
- Be friendly and welcoming
- Encourage a healthy, active lifestyle

Aims

Through the implementation of our school aims, children will be encouraged to develop the Four Capacities of A Curriculum for Excellence.

Successful Learners

- To provide a broad, balanced curriculum which both challenges and motivates pupils.
- To provide a range of teaching and learning experiences which promotes enjoyment, allows children to share their talents and achieve their potential.
- To celebrate success in a variety of ways.

Confident Individuals

- To encourage pupils to respect themselves, others and their environment.
- To develop resilience and perseverance and the confidence to tackle new situations.
- Ensure everyone is included.

Responsible Citizens

- Support our pupils in making positive, informed choices.
- To develop awareness of themselves, the world around them and the impact their choices and decisions have.
- To foster partnerships with parents and the wider community

Effective Contributors

- To give pupils the skills to communicate effectively in different situations
- To encourage and develop teamwork skills
- To provide leadership opportunities

Curriculum

Within Auchnagatt School, we aim to provide a curriculum that is both inclusive and ambitious for all – a curriculum which is both academically challenging and also provides opportunities to develop skills for learning, life and work.

Our curriculum will be based around the four capacities of Curriculum for Excellence – to ensure our pupils are successful learners, confident individuals, effective contributors and responsible citizens. Our curriculum will also reflect the principles of curriculum design to ensure breadth, depth, personalisation & choice, challenge & enjoyment, progression, coherence and relevance. Therefore we will have a curriculum which we will adapt continuously over time to meet the needs of our pupils.

Following the principles of Curriculum for Excellence, achievement of children and young people is celebrated in its broadest sense. This means looking beyond formally assessed learning, to also recognise activities like volunteering and participation in arts, sports and community-based programmes. This approach complements the nurturing and aspirational outcomes of Getting It Right for Every Child, and our aim in Aberdeenshire to overcome inequality by Raising Attainment for All, promoting Equity and Excellence in schools, and Closing the Gap. Further information on the schools approach to Curriculum for Excellence including information for parents, can be found on the school website at:

<http://auchnagatt.aberdeenshire.sch.uk/>

Development of Spiritual, Moral, Social and Cultural Values

In our school we are committed to providing appropriate opportunities for the development of pupils' spiritual, moral, social and cultural values through both the ethos and the curriculum.

Our school welcomes and encourages diversity and individuality, while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. It is a fundamental principle of our school that all who are involved in the life of our school have the right to be respected as individuals and carry the responsibility to act in a considerate and respectful manner towards others. We implement the Council policy for Equal Opportunities and ensure that all pupils have access to the full range of educational experiences available within the resources of the school. We are firmly committed to the elimination of any form of discrimination on the grounds of age, race, religion, gender, sexuality or disability.

Religious and Moral Education

Throughout the school there are opportunities for pupils to learn about aspects of Christianity, other world faiths and to reflect upon their own moral standpoint in relation to world issues. During weekly whole-school assemblies, we encourage awareness of matters of a cultural, social and moral nature.

We aim to develop in our pupils an ethos of tolerance, understanding and respect for the beliefs and customs of others. The school is committed to supporting the development of its pupils as whole people and as a result, wish to encourage their development in moral, social and cultural terms.

The key human aspects of learning are supported by:

- Creating an atmosphere that is both caring and challenging and which provides opportunities for the development of personal responsibility.
- Promoting social and moral learning through the way in which disciplinary issues are handled.
- Ensuring staff and adults within the school provide positive models for pupils.
- Arranging regular gatherings of the school community and using such occasions to encourage and reinforce the values on which the school is based.
- Enriching the curriculum in all appropriate areas with an emphasis on moral, social and cultural development.
- Providing opportunities within the curriculum to advance personal and social development.
- Providing a programme of religious education in which consideration will be given to responses to basic questions relating to the meaning, value and purpose of human life.
- Providing a programme of moral education.
- Taking every opportunity to acknowledge, value and appreciate the various cultures and heritage of our pupils and to encourage them to appreciate and value the cultures and heritage of others including visits by representatives of other beliefs or faiths.
- At Christmas we visit New Deer Church along with New Deer School for a short service which is usually led by the children.

Extra Curricular Activities

At Auchnagatt School a range of extra-curricular activities is also provided. We rely upon the goodwill of staff and the support of parents in running these clubs. Information regarding current clubs (including those led by Active Schools) and extra curricular activities will be communicated throughout the year via school bulletins. A range of Cultural, sporting and arts opportunities are offered as these become available.

1 1+2 Approach to Language Learning in Aberdeenshire

The Scottish Government has introduced a policy 'Language Learning in Scotland: A 1+2 Approach'. Children are growing up in a multilingual world and to allow them to take their place as global citizens, they need to be able to communicate in many settings. This approach entitles every child and young person to learn two languages at school in addition to their mother tongue language.

In Auchnagatt School the first foreign language will be French. This language will be learned from P1 (in Primary School) through to S3 (in secondary school). For more information go to <http://www.aberdeenshire.gov.uk/schools/parents-carers/involvement/information-to-support-learning/language-learning-in-scotland-a-1plus2-approach/>

If you would like your child to access Gaelic Medium Education and they have not yet started to attend a primary school you can make a request for an assessment of

need for Gaelic Medium Primary Education (GMPE). For more information, please go to:

<http://aberdeenshire.gov.uk/schools/information/gaelic-in-schools/>

The parent or carer of any child or young person can make a request for their child to attend to any school which offers GMPE. This will enable your child to be taught by specialist staff. As there are currently no schools in Aberdeenshire which have GME provision learners are transported to school in Aberdeen City.

Assessment and Reporting

Pupils move through the curriculum at their own pace. A wide range of assessment techniques are used in school depending on what is being assessed and the reason for the assessment e.g.

- Observation of what the pupils “say”, “write” and “do”.
- Homework
- Self and peer assessments
- Marking of class work and other individual/class assessments
- Ongoing tracking and monitoring procedures in school
- Scottish National Standardised Assessments (P1, P4, P7 and S3)

Progress will be evidenced using a variety of approaches that best reflect the learning that has taken place, and will track the skills that your child or young person is developing.

Assessment is ongoing throughout the Broad General phase and is a continuous process which influences the goals set for your child. As part of assessment, each year children and young people in P1, P4, P7 and S3 will participate in the Scottish National Standardised Assessments (SNSA). These national assessments are completed online and provide teachers with immediate feedback on each child or young person’s progress in literacy and numeracy. Children and young people do not have to prepare or revise for the assessments, which take place as part of normal learning and teaching. The assessments do not have any pass/fail mark and the results are used to help teachers plan the next steps in learning for each child/young person. Further information on SNSA is available at

<https://standardisedassessment.gov.scot/>

The results of children’s achievements are discussed with them regularly so that they are involved in taking responsibility for their own learning. This may take the form of oral discussion and/or written comment. In this way, it is hoped to assist the pupil identify what has been learned and the next steps to their learning. Children regularly set targets in their work.

Parents will be informed of progress:

- through pupil profiles/learning logs
- through parent consultation evenings and other meetings
- through curriculum/learning events/parent workshops
- by the annual school report
- Individual Education Plans and associated documents

See school reporting calendar on the school website.

Parents and carers are encouraged to contact the school at other times throughout the year to discuss their child’s progress.

Further Information on Assessment, Reporting & Profiling can be found on Parentzone:

<https://education.gov.scot/parentzone/learning-in-scotland/assessment-and-achievement>

Transitions (Moving On)

We understand that transitions especially at P1 and S1 stages can be anxious times for parents and pupils. At Auchnagatt School we have arrangements in place to support transitions and these are outlined below.

Transfer to Primary 1

In order to support and ease transition into P1, we arrange a series of induction events/meetings for you and your child. These events are planned to allow you and your child to become familiar with the school building, to meet staff, to meet with the other children including your child's buddy and to find out about life in school and what you can do to support your child's transition into P1. The induction process starts in your child's pre-school year, with P1 staff arranging to visit your child in their pre-school setting wherever possible in order to begin to get to know your child.

Induction meetings are arranged for parents around May/June in order to share information about starting school and how you can help your child at home. This is also an opportunity for parents to meet their child's teacher and to ask any questions or share any information.

At these induction meetings, parents are issued with a range of materials designed to support children's learning at home and parents are asked to complete a range of forms to gather information about e.g. your child's medical needs, contact addresses, special needs etc.

Our prospective P1s also have the opportunity to come into class for a series of induction sessions around May/June. This allows the children to begin to get to know their classmates and their teacher as well as familiarising themselves with the school buildings and classroom routines.

Parents are also invited to join their P1 children for a school lunch once they have started P1.

Information communicating details of P1 induction arrangements along with dates will be communicated directly to Prospective P1 parents around April.

Transfer to Secondary Education

Most children from Auchnagatt School attend either Mintlaw Academy 01771 - 622994 or Ellon Academy – 01358 720715 depending on location in catchment.

An induction programme for P7 is in place to help ease the transition into S1. This includes P7 pupils spending 3 days at Mintlaw Academy or Ellon Academy towards the end of the summer term. Further information is communicated to parents about the induction calendar for secondary school around February each year. Parents also have the opportunity to visit Mintlaw/Ellon Academies where information will be shared and questions can be asked.

Liaison between Auchnagatt Primary and both Mintlaw and Ellon Academies is very good. During the P7 year, pupils have many opportunities to join with P7 pupils from the other Mintlaw Network Schools. Transition projects, sports festivals, trips, and other ad hoc activities are arranged for P7 pupils to get together.

Information about our P7 pupils is shared with guidance staff at the academy to help support appropriate continuity of education. Parents are welcome to attend these information sharing meetings, especially when additional support has been provided previously.

Mintlaw and Ellon Academy staff also visit our pupils in Auchnagatt Primary where information is shared and questions can be asked.

Where parents opt to send their child to any other secondary school, (following placing requests) Auchnagatt School supports any alternative transition arrangements wherever possible.

Transitions Between Stages

For some children, the thought of moving onto their next class/teacher can also be an anxious time. Again, we have a structure in place to support these transitions. Teachers share planning and work together on school improvement projects helping to ensure a commonality of expectations and approaches. Time is arranged for teachers to hand over information regarding the learning needs of the pupils transferring from class to class. Around June of each year “Moving up” time is also arranged where pupils can meet their next teacher and their classmates. There are regular opportunities throughout the year for children to work on joint projects, e.g. Collaborative Weeks help to ensure that the children have opportunities to work with other staff and pupils.

If you have any particular concerns regarding transitions or information on your child’s needs which will help support them through any transitions, please make an appointment to see the class teacher or head teacher.

Visit Parentzone for more information about transitions:

<https://education.gov.scot/parentzone/my-child/transitions>

3 Admissions

Nursery Admissions.

All parents should submit an application form for their child, to the nursery of their choice during the admissions period. The application form can be found here:

<http://aberdeenshire.gov.uk/schools/information/early-learning-and-childcare-information/>

Primary Admissions

New entrants to P1 are enrolled early in the calendar year for entry to school in August. This is for children who will be five on or before the school start date in August. Those that have their fifth birthday between the August start date each year and the end of February the following year, may also be admitted. Go to:

<http://aberdeenshire.gov.uk/schools/information/primary-school-registration/>

4 Placing requests & School Zones

For all advice and information on placing requests and guidance on school catchment/zones go to:

<http://aberdeenshire.gov.uk/schools/information/choosing-a-school>

Your child would normally attend a school within the school catchment area (zone) close to where you live. However, you can request that your child attends a school in another zone (out of zone). Please follow the links for more info:

<https://aberdeenshire.gov.uk/media/22768/out-of-zone-placing-request-policy-may-18.pdf>

<https://aberdeenshire.gov.uk/media/14819/electronic-placing-request-application-form-aug18.pdf>

5 Developing Young Workforce

As part of the curriculum, pupils will develop skills for learning, life and work. More detail about these key skills can be found using the link below:

<https://www.npfs.org.uk/skills-in-a-nutshell/>

Throughout their time in school, from Early Years onwards, all pupils will have an opportunity to engage with employers, through experiences like workplace visits, career talks, employability events and courses, work experience and curriculum based activities. They will also have the opportunity to learn about further and higher education, and the work done by training providers, as well as different career pathways into employment.

In S4-6, pupils will be given the opportunity to study for vocational qualifications alongside the more traditional qualifications.

Further information for parents can be found on the Aberdeenshire DYW website:

Support for Children and Young People

6 Getting it Right for Every Child

Getting It Right for Every Child (GIRFEC) is the national policy approach in Scotland which aims to support the wellbeing of all children and young people, by offering the right help, at the right time, from the right people. Certain aspects of this policy have been placed in law by the Children and Young People (Scotland) Act 2014.

Wellbeing of children and young people sits at the heart of the Getting it Right for Every Child approach. Eight Wellbeing Indicators shown below, outline the aspirations for all Scotland's children and young people.

The Getting It Right approach means services will work in partnership with children, young people and their parent/carer(s) and we want every child at Auchnagatt School to feel happy, safe and supported to fulfil their potential.

For more information about Aberdeenshire's approach to GIRFEC go to;
<http://www.girfec-aberdeenshire.org/what-is-girfec/>

7 The Named Person

Prevention and early-intervention are seen as key to the Getting It Right approach in achieving positive outcomes for children and young people. By providing support at an early stage, most difficulties can be prevented from escalating.

One way the Scottish Government has decided this should be taken forward, is by making a Named Person available to every child and young person in Scotland. The Education Service provides the Named Person Service for all children on entry to Primary One, until aged 18 (or beyond where a young person remains at secondary school). In Aberdeenshire the Named Person will be either the Primary Head Teacher or Deputy Head Teacher and in Secondary School, the Named Person will be that young person's allocated Principal Teacher of Guidance (with a few exceptional circumstances).

The purpose of the Named Person role is to make sure children, young people and parents have confidence that they can access help or support no matter where they live or what age the child is. Acting as a central point of contact, the Named Person can help children, young people or parents/carers get the support they need, if and when they need it.

The Named Person can help by:

- Providing advice, information or support
- Helping a child, young person, or to access a service or support
- Discussing or raising a wellbeing concern about a child or young person.

There is no obligation for children and young people or parents to accept any offer of advice or support from the Named Person. Non-engagement with a Named Person is not in itself a cause for concern.

For more information you can contact your child or young person's Named person directly, or go to:

<http://www.girfec-aberdeenshire.org/for-parents-carers/what-is-the-named-person/>

Here at Auchnagatt School the Named Person for your child/young person is: Mrs Jill Thomson – Head Teacher

8 The Educational Psychology Service (EPS)

The Educational Psychology Service (EPS) provides a service across Aberdeenshire from pre-birth to 24 years old. We work with children, young people, families, educational staff, local authority colleagues and a wide range of other professionals including health professions, social work, early years partner providers and post school training and education providers.

When there are concerns about a child or young person's learning or wellbeing, an Educational Psychologist can support others to problem solve their way through potentially difficult and complex situations. Consultation with people who know the child best forms the basis of Educational Psychology assessment. Its purpose is to explore and understand the concern, and support people to come up with solutions that will work in that particular context.

The EPS also offers a range of services that help improve learning and wellbeing for all children and young people. We do this through action research, development work with schools, training, and contributing to strategic developments.

<http://aberdeenshire.gov.uk/schools/eps/>

9 Enhanced Provision & Community Resource Hubs

Aberdeenshire Council is committed to supporting children and young children to be educated in local schools through providing the right support in the right place at the right time. By enhanced provision we mean that a local primary and secondary school has an enhanced level of resources, such as access to a sensory room and life skills area; and support for learning staff who have an enhanced level of expertise to meet a range of needs.

Further enhancement is available through the community resource hub, for a small minority of children with severe and complex needs, who regardless of chronological age are making very small steps in learning and are at the early levels of learning. The enhanced provision centres and community resource hubs can offer outreach support to mainstream schools, short term assessment placements, flexibility (e.g. blended places) and access to a variety of therapies.

For more information on all of our resources and policies go to:

<http://asn-aberdeenshire.org/>

10 Support for Learning

At times in their lives all children may require support for learning for a range of reasons. Some children may need a lot of support all the way through school. Others may need only a small amount for a short time.

A child is said to have additional support needs if they need more, or different, support to what is normally provided in schools or pre-schools to children of the same age. Reasons for requiring support might include:

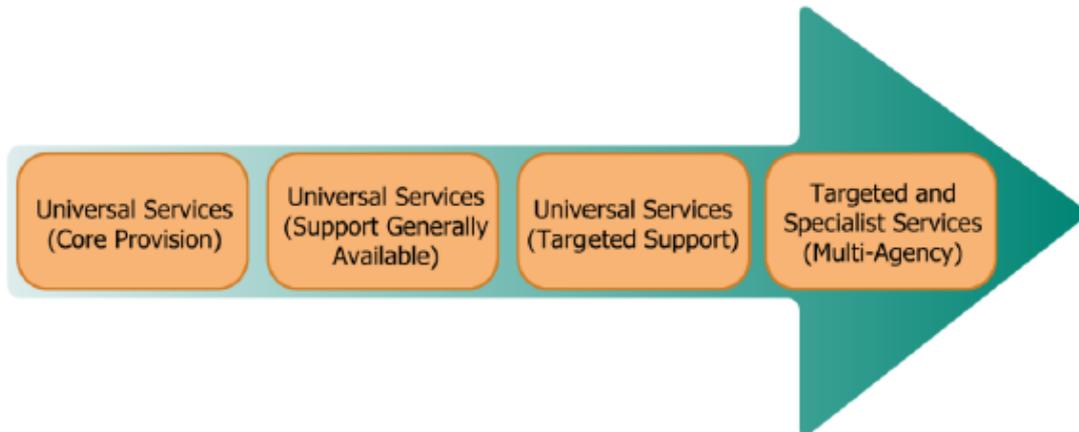

- Missing school because of an illness or long-term condition
- Having a physical disability
- Being a young carer
- Communication difficulties
- Being particularly able
- Changing school a lot
- Being looked after or in care
- Difficulty in controlling behaviour
- Having a difficult family situation
- Suffering a bereavement
- Being bullied

Each school cluster has an allocation of Teachers of Additional Support for Learning (ASL) who are employed to support pupils with additional support needs. They work across each cluster in primary and secondary. In partnership with school staff, parents and other professionals (if appropriate), they identify barriers to learning, assess children's needs and support learning and teaching through a relevant curriculum.

Pupil Support Assistants (PSAs) assist teachers in promoting achievement and raising the standards of pupil attainment. They provide general support in relation to the needs of the class and individuals' care, health and wellbeing and safety and to ensure a secure and safe environment.

11 The Child's Plan

The Getting It Right approach makes sure children and young people are provided with a range of support, which is proportionate and put in place to meet assessed need. This is reflected in Aberdeenshire's staged approach to assessment and planning for individual children and young people, shown below.

For a small minority of children or young people, there might be higher levels of need or risk identified. These children may require a level of targeted support, coordinated on a single or multi-agency basis through a Child's Plan.

Where a child or young person needs one or more targeted interventions, the benefit of a Child's Plan will be discussed with them and their parents/carers. An assessment would identify any affected wellbeing indicators (Safe, Healthy, Active, Nurtured, Achieving, Respected, Responsible, Included), looking at both strengths and pressures in the child's situation, and fully involving the family in discussions.

The Child's Plan will outline what action will be taken by the child, their family and professionals, and detail how these supports aim to help improve the child or young person's Wellbeing and overcome any difficulties.

A Lead Professional will help to co-ordinate and manage any Child's Plan.

Information is available on the Aberdeenshire Getting It Right Website:

<http://www.girfec-aberdeenshire.org/parents-carers/girfec-for-parentscarers/>

12 Child Protection

Child protection is the responsibility of all who work with children and families regardless of whether or not they come into direct contact with children. All workers must be fully informed of their responsibilities in respect of keeping children safe. All services working with children, young people and families are expected to identify and consider the wellbeing of children and to share concerns appropriately.

Within Auchnagatt School we have a designated member of staff appointed to be responsible for Child Protection matters. If there is the possibility that a child could be

at risk, the school is required to follow the Child Protection Procedures laid out for Education.

This may mean that the child is referred to Social Work, the Police or the Children's Reporter. Here at Auchnagatt School the designated officer is Mrs Jill Thomson

Remember – if you suspect a child is at risk, do not rely on someone else to notice.

If you would like to speak to someone, seek help or pass on information or concerns:

Social Work Monday to Friday during office hours contact your Children & Families local Social Work Office

Evenings & Weekends call the Out of Hours Service on 03456 08 12 06

Police Emergency 999, Non-Emergency 101

Signs of abuse can range from poor personal hygiene and hunger to unexplained injuries or self-harm.

If a young person tells you they are being abused:

- stay calm and listen to them
- never promise to keep it a secret – tell them you must let someone else know
- remind them that they are not to blame and are doing the right thing
- report it, but leave any investigation to child protection agencies

Protecting Aberdeenshire's children and young people is everyone's business, go to:

Parent & Carer Involvement and Engagement

In Auchnagatt School we recognise that parents are the single most important influence on their children's development, learning and achievement. The involvement and engagement of parents in their children's learning is recognised as a key element in raising attainment, through support, help and encouragement given at home and whilst at school.

14 Parental Involvement

Parental involvement describes the ways in which parents can get involved in the life and work of the school. Parental involvement includes parental representation in the development of policies, improvement plans and key decisions. It can include involvement in the life and work of the school. Parental involvement can also include help with homework and on-going, two-way communication between home and school.

15 Parental Engagement

Parental engagement is about parents' and families' interaction with their child's learning. It can take place in the home, at school or in the community: where it takes place is not important. The important thing is the quality of the parent's engagement with their child's learning, the positive impact that it can have and the interaction and mutual development that can occur as a result of that interaction.

16 Communication

The school uses a range of approaches to share information about your child's learning and progress.

We are keen to maintain excellent and open communication links with parents and have a number of ways in which we do this.

A school newsletter is sent home once a month, detailing information about school events and activities. Class newsletters are sent home termly.

We will contact you by telephone if there is ever anything specific that we wish to discuss with you. Should you ever wish to discuss any aspect of your child's development, please phone the school and an appointment to meet will be arranged at a mutually convenient time.

The school homework diary/planner/reading record is another means of communication where parents and teachers can share relevant information about your child.

The Reporting calendar highlights a variety of planned opportunities to share information about your child's learning and progress.

<http://auchnagatt.aberdeenshire.sch.uk/>

17 Learning at Home

Learning at home is the learning which happens in the home, outdoors or in the community. Your home is a great place to support learning. Your child can try out new activities or practice familiar learning, at home and in their wider community.

At Auchnagatt School we provide materials for you to work with your child to develop key skills at home. For explanation of this please refer to your class newsletter and your child's homework jotter/planner.

18 Parent Forum and Parent Council

The Parent Forum is a collective name for all parents, carers or guardians in the school.

The Auchnagatt School Council is a group of parents selected by the Parent Forum to represent the views of all parents, carers and guardians in the school. The School Council works with the school to support learning and teaching, school improvement and parental and community engagement.

Contact the School Council Chairperson Mr and Mrs Greenan or Head teacher for more information about getting involved in the Parent Council.

19 Parents and School Improvement

Auchnagatt School has a range of priorities that we work on each year which are explained in our School Improvement Plan (SIP). Parents often have helpful and creative ideas about how to improve their child's school and what can be done to improve the quality of children's learning. At Auchnagatt school we will consult with parents in a number of ways. These may include:

working groups/focus groups which any interested parent is invited to be part of

questionnaires and surveys

consultation with the School Council

20 Volunteering in school

There are many opportunities for you to support learning in school. These may include:

- volunteering to share the skills and knowledge you have
- supporting children and young people in the classroom
- supporting or lead extra-curricular activities
- directly supporting with specific skills (paired reading for example)

More detail about this can be found using the link below:

<http://jobs.aberdeenshire.gov.uk/volunteer-with-us/> or contact your Head teacher.

21 Collaborating with the Community

Auchnagatt School work with many local organisations, community groups and businesses to ensure our children and young people benefit from further resources, experiences and opportunities. If you are interested in working with the school, please contact the Headteacher

22 Attendance

Attendance and Absence Procedures

Parents are responsible for ensuring that their children attend school regularly and arrive on time. They are also responsible for ensuring the safety of their children on their journeys to and from school except whilst on school transport where Aberdeenshire Council has clear guidelines about pupil safety. Absence of pupils travelling on school transport must also be communicated to the bus company or (where known) the bus driver.

Regular and punctual attendance is linked closely to achievement and school staff would wish to work with parents to ensure that children can achieve fully. The school is required by law to maintain an accurate record of the attendance and absence of each pupil and parents are requested to assist in this process by keeping the school informed if their child is to be absent for any reason.

Unplanned Absence

It is important to note that if a child does not arrive at school and there is no reasonable explanation provided for his/her absence then members of staff will be required to ascertain the whereabouts for the safety of the individual child. **This will involve a phone call to the parent soon after 9.30am. Repeated calls will be made until the child's whereabouts have been confirmed. If contact cannot be made the situation will be assessed and it may be thought necessary to inform the local social work department.** In order to avoid causing unnecessary concern for staff and parents the importance of good communication between home and school cannot be over-emphasised.

Parents are asked to assist school staff in the manner detailed below:

- If your child is unable to attend school through illness/other reason please telephone the school between 8:30am and 9:30 am on the first day of his/her absence or send a signed note via a brother or sister where applicable.
 - If your child is home for lunch and becomes unwell at lunchtime making them unable to return to school in the afternoon please telephone the school before the beginning of the afternoon session to inform a member of staff.
 - When you contact the school it would be helpful if an indication could be given as to the child's expected length of absence from school.
 - On your child's return to school a note should be provided explaining the reason for absence and confirming the periods of absence from the school. The note should be signed and dated.
-

Communicable/Infectious Diseases

When pupils are off school because of sickness or diarrhoea, they should not be sent back to school until 48 hours after symptoms have passed. Pupils must be kept off school for a period of time where they have an infectious or contagious disease. These include common ailments such as impetigo, conjunctivitis, chicken pox etc. Please contact your GP or local health centre for up to date advice if you believe your child may have a communicable disease.

Planned Absences

As part of Government Regulations we are required to record all absences as “authorised” or “unauthorised”. Authorised absences are due to illness or family bereavement and can also include time off to attend, e.g. sporting events or music exams.

- Under normal circumstances we do not send work home in the case of absence.
- For medical or dental appointments the teacher should be informed beforehand in writing. Children should always be collected and returned by an adult on these occasions. As far as possible such appointments should take place outwith the school day.

The school follows the Aberdeenshire Attendance Policy:

http://www.aberdeenshire.gov.uk/media/19805/attendance-policy_april-2015.pdf

Procedures for following up on pupil absence are based on the Education (Scotland) Act 1980 which requires by law that parents/carers ensure that children attend school regularly. The Home/School Liaison Officer has a key role to play, providing a vital link.

23 Holidays during term time.

The Scottish Government has deemed that holidays taken during term time should be recorded as unauthorised absence unless there are special, exceptional circumstances. Should you wish to remove your child from school to attend a family holiday you must inform the Head Teacher. This will be recorded as unauthorised absence though there may at times be exceptional family circumstances previously discussed with the Head Teacher. Parents are advised to limit the number of holidays taken during term time, to minimise disruption to a child’s education. For annual holiday dates for Aberdeenshire schools please see the section at the back of this book, contact the school office or go to:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/school-term-dates-and-in-service-days/>

24 Auchnagatt School Dress Code

We encourage all pupils to wear school uniform. This helps to instil a sense of pride and team spirit within our school. Sweatshirt orders are processed in the autumn and spring terms. We can also provide ‘nearly new/recycled’ sweatshirts for parents who would wish to make use of these and we would encourage parents to donate used items to this bank.

School uniform consists of – navy school sweatshirt with school logo, white or navy polo shirt, dark school skirt or trousers, dark school shoes (children should not wear high heeled shoes as these cause safety concerns). We appreciate your cooperation in support of this.

Please consider the changeable nature of weather conditions and provide your child with appropriate outerwear and footwear to suit.

PE Kit consists of – T shirt which tucks into shorts, standard length shorts, socks, gym shoes preferably with velcro or elastic fastening for younger pupils. These should be kept in a gym bag.

With regard to safety, the wearing of jewellery is actively discouraged in our school and is not permitted during PE lessons. If your child has pierced ears, please ensure he/she can remove and replace their own earrings. Any child wearing earrings that cannot do this will be asked to put surgical tape over them for PE lessons and parents should provide a named roll of surgical tape for this purpose. Shoe string strap tops are also discouraged for safety reasons as they can catch on gym apparatus and suitable footwear should be provided.

The school requests that football team tops and designer garments are kept for home use as these can cause disagreements amongst the pupils.

Parents should note their responsibility to ensure all clothing and belongings brought to school should be named or marked in some way, as it is difficult for children to distinguish their own clothing from that of others.

Pupil Belongings & Valuables

For each classroom the children have a space for hanging up their coats and gym bags and for storing packed lunch boxes. Parents should note their responsibility to ensure packed lunches have a cold pack included. Each child will also have their own named tray for storing their belongings in class.

Valuables

The wearing of jewellery is discouraged in the school as it can get lost or add to injuries. The wearing of a watch is acceptable. Children who have pierced ears and need to wear earrings should wear studs as opposed to hoops or dangly ear rings.

Children should not bring electronic games, mobile phones or other expensive items into school. Should parents request that their child be allowed to take a mobile phone into school for use after school, the pupil will hand it in to the office first thing in the morning and collect it at the end of the day

25 Clothing Grants

Some families may be entitled to a school clothing grant of £100 per year. More information about this can be found at:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/assistance/school-clothing-grants/>

26 Transport

In order to qualify for free Home-to-School Transport, Primary school pupils must reside more than 2 miles from and attend their zoned school whilst Secondary school pupils must reside more than 3 miles from and attend their zoned school.

These distances are the shortest available route from the pupil's house to the school gate and can take into account main roads (including dual carriageways), tracks and paths. Application forms for free transport, Form PTU100 can be obtained from the school office.

27 Privilege Transport

Transport provision is also made available for pupils who are not entitled to free transport. Privilege transport is provided on school transport services subject to spare seating capacity, at a fixed annual charge. Discounts are available for pupils in receipt of the clothing grant, and to families with 3 or more children travelling to the same school.

As School Transport routes are determined by the pick-up locations required for pupils who are entitled to free school transport, Privilege Pupils are required to meet the bus on the existing bus route. For further information and application forms, see the Council website.

<https://www.aberdeenshire.gov.uk/roads-and-travel/school-transport/school-transport/>

Alternatively, copies of Privilege forms or further information can be requested by emailing: school.transport@aberdeenshire.gov.uk.

28 Special Schools and Enhanced Provision

Aberdeenshire Council may provide free transport where necessary for pupils who attend a school with enhanced provision proposed by the Authority. In certain cases, pupils may be encouraged to make their own way to school by public transport, and where this is authorised, bus passes are issued. Where a pupil's address falls in the delineated area of a resourced school, and is within reasonable walking distance, the Authority will take advice from the Community Child Health Service before deciding if free transport should be provided

29 School Closure & Other Emergencies

Head Teachers decide if and when schools should close due to bad weather or another emergency. In bad weather they will decide this after receiving information about local weather conditions. This decision can be made during any time, day or night. These guidelines outline the procedures for dealing with school closures during bad weather or other emergencies.

If children are at school...

School transport contractors have been told not to allow children to walk home alone from drop-off points under any circumstances during extreme weather conditions. If you can't meet or arrange for your child to be met, the school transport will return them to a designated location.

Public service vehicles – drivers of these vehicles follow a specified route and keep to timetables – they cannot make special arrangements.

If your child attends a Nursery, Primary or Special School, which is to close early, the school will contact you by telephone. If this is not possible the school will contact your named 'emergency contact'. No child will be released from school without contact being made. It is important contact details are current and the people named are available – particularly during bad weather.

If you are concerned about local weather conditions contact the school. You may wish to collect your child yourself and are free to do so provided you make arrangements with the school.

Before the start of the school day...

During bad weather some staff may not be able to get to school or bus routes may not be safe to travel on – so the school may have to close. Head teachers will advise parents and carers using the following communication tools:

Outwith school hours, your local radio station is a good place to find out information on school closures. The following radio stations receive updated information every 30 mins from our website:

School Information Line

Tel: 0370 054 4999 then 021240. If you cannot get through first time, please do not put this number on redial. This will only lead to the line being busier.

30 Storm Addresses

When there has been severe snow storm during the day it may be prudent for pupils who live some distance from the normal bus routes not to attempt to reach their homes but to spend the night in alternative accommodation nearer school. It is the parents responsibility to inform school about any pupils who may be at risk in such situations and to provide the name and address of a relative or friend who is willing to provide overnight accommodation.

31 Change of address and Parental Contact Details

To enable us to make easy contact with parents, the school would appreciate if any changes of address, telephone number or circumstances is notified in writing to the School Office. It is also important that the school has details of an Emergency Contact should it prove impossible to get in touch with parents in the event of an emergency.

32 Anti-bullying Guidance

What is Bullying?

Aberdeenshire Council Education and Children's Services define bullying as the following:

Bullying takes place when the actions of an individual or group of people cause harm to someone by taking advantage of an imbalance of power within a relationship (whether perceived or real). Bullying behaviour can be persistent and/or intentional, but often it is neither.

Bullying can be verbal, physical, mental/emotional or cyber and is behaviour and impact. It can be intentional or unintentional, direct or indirect, persistent, or a one off incident. The impact is on a person's ability to feel in control of themselves. What will the school do about it?

Schools should promote consistency of response to instances of bullying behaviour using a 6 step approach. They will:

1. Record the Incident
2. Speak to the individuals involved having frank and honest dialogue
3. Speak to parents
4. Utilise Restorative approaches
5. Monitor the situation
6. Review and increase response accordingly

More information can be found in Auchnagatt School's anti-bullying guidance at

33 School Meals

It is Aberdeenshire Council policy to provide meals and facilities for the consumption of packed lunches in all schools where these are required.

Primary 1-3 pupils are provided with school meals free of charge.

Primary 4- S6 pupils are currently charged £2.30 for a school meal unless they qualify for Free School Meals.

For more information and how to apply for Free School Meals, go to:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/assistance/free-school-meals/>

For information about school meals and menus go to:

<http://www.aberdeenshire.gov.uk/schools/meals/>

Aberdeenshire Council provides an online payment service to pay for school meals.

To register for online payments you will be provided with a reference number by your school for each child. Parents and carers of pupils who qualify for Free School Meals are encouraged to create an account to see meal selection histories and to pay for non-food items such as school trips and activities when that option becomes available.

The first step in accessing the online payment service is to visit Pay facility located on the Aberdeenshire Council web site home page. Alternatively you can register by following the link:

<https://www.aberdeenshire.gov.uk/schools/meals/online-payments/>

Parents should be aware that they can request a special diet for their children if there are medical or religious reasons for doing so. Children who require medically prescribed or modified diets should be identified during the admission process. Parents and Carers are advised to complete Admission Form D which is available from the school administration office.

34 Healthcare & Medical

Every child's health and welfare is very important to the school. Parents who have any concerns should let school know by telephoning or writing in. Alternatively parents can inform the Health Visitor or their own GP. Parents are requested to let the school know of any hospital appointments.

Parents/carers are requested to keep children at home for 24-48 hours if the child has diarrhoea, flu-like symptoms or is clearly unwell.

Always seeks a GP's advice before sending a child back to school. Please remember that other children can be vulnerable to infection.

The school is fortunate to have a nurse in attendance to undertake Health Interviews and provide advice on health matters for pupils. The school doctor will play a vital role in monitoring a child's health and well-being.

Although our medical staff provide help and advice as appropriate, all pupils must be registered with a doctor in general practice who should be consulted about health matters as they arise. Parents should provide us with the name and telephone number of their child's doctor and an up-to-date emergency contact for themselves in case it becomes necessary for a child to be sent home during school hours because of illness.

Aberdeenshire Community Dental Service inspect P1 and P7 children in schools as part of the National Dental Inspection Programme. Written parental consent is not required for dental inspections, but parents will be informed in writing approximately one week before the inspection date.

Most pupils will at some time have a medical condition that may affect their participation in school activities. For many this will be short term; perhaps finishing a course of medication to combat an infection.

Other pupils have medical conditions that, if not properly managed, could limit their access to education. Such pupils are regarded as having health care needs. Most children with health care needs are able to attend school regularly and, with some support from the school can access most school activities. However, school staff may need to take extra care in supervising some activities to ensure that pupils are not put at risk.

Planning formats may include either:

- Individual Pupil Protocol (IPP) (Med form 7).
- Health Care Plan written by Health professionals for very specific medical needs.

A risk assessment should also be completed.

The above can help schools to identify the necessary safety measures to support pupils with medical needs and ensure that they and others are not put at risk.

Please find our Medication Policy here:

<http://asn-aberdeenshire.org/wp-content/uploads/2017/08/Supporting-Children-Managing-Medicines-Educational-Establishments.pdf>

Sunscreen - As children are outdoors for learning and for play, parents should apply this prior to sending children to school or nursery. School staff do not supply, nor do they apply, sunscreen creams.

If your child has long term medical conditions such as asthma or diabetes, which may require on-going support, this should be fully discussed with the school. In certain cases specific training of staff about a child's treatment may need to be given. In addition, some children have conditions which may require occasional staff intervention e.g. severe allergic conditions such as anaphylaxis.

35 Exclusion

Where pupils who repeatedly display behaviours which compromise the good order of the school i.e. disruption of learning and teaching, unsafe practices, bullying and other forms of abuse and where other forms of support and sanctions have proved

unsuccessful, the Authority exclusion policy will apply. For further information on exclusions contact the school or go to:

http://www.aberdeenshire.gov.uk/media/3901/policy_disc_exclusion.pdf

36 Educational Visits

We offer various educational visits during the course of the school year. We believe that 'hands on' experiences greatly enhance a child's education, while also helping to make the necessary links between learning in school and life outwith school. Staff members and parent volunteers provide supervision to standards laid down by Aberdeenshire Education & Children's Services. We give parents as much notification as possible with regard to visits their children will participate in.

37 Instrumental Tuition

From Primary 4 onwards, tuition is available for a range of musical instruments. All disciplines are taught in the secondary schools however not all disciplines are available in primary schools due to limited resources. Orchestral string instruments are not normally available to beginners at secondary level. Tuition is subject to availability.

For further information go to:

<http://aberdeenshire.gov.uk/schools/ims/>

38 Comments, Compliments & Complaints

To reflect our commitment to working with you, it is imperative that if you have any concerns these are shared and discussed with us as a school. We work hard to make sure you feel listened to as parents or carers, and find many difficulties can be easily resolved through the opportunity for direct discussion. However if you are dissatisfied about our action or lack of action, or about the standard of service provided by us, you can submit a complaint.

To explain our complaints service and how the process works please go to:

<http://publications.aberdeenshire.gov.uk/dataset/072f6c0d-955a-4f4c-a228-568e30884391/resource/52439609-98b5-45eb-b1e6-0d418371ba27/download/full-complaints-procedure-customerv6.pdf>

Where complainants continue to be dissatisfied with a stage 2 response, complaints can be referred to the Scottish Public Services Ombudsman. Further information and guidance can be found at:

40 Public Liability Insurance

Aberdeenshire Council holds third party liability insurance, which indemnifies the Council against claims from third parties, e.g. parents on behalf of pupils who have suffered injury, illness, loss or damage arising from the negligence of the Council or its employees. In these circumstances all claims are handled on behalf of the Council by external Insurers and Claims Handling Agents and compensation is dealt with on a strict legal liability basis. This means that there is no automatic compensation, the Council has to be found negligent in order for any compensation to be offered by our Insurers and / or Claims Handling Agents.

41 School Off Site Excursion Insurance

Aberdeenshire Council has in place a School Excursion Insurance policy, whereby both pupils and teachers are covered for offsite activities / trips both within the UK and abroad (offsite meaning off the school premises). The policy covers medical expenses, loss of baggage, cancellation (as specified in the policy) , curtailment and change of itinerary (along with other sundry benefits) etc. for worldwide trips and adventurous activities (including winter sports), subject to policy terms and conditions being met.

If personal items such as jewellery, phones/tablets, watches etc. are taken on a school trip then these are taken at an individual's own risk and are not covered under the policy, unless damage or loss is caused by an Aberdeenshire Council employee. Should a parent or carer want such items to be covered then this would need to be arranged by parents/carers independently of the school.

Parents may wish to consider their own insurance arrangements in terms of appropriate extensions to their household insurance or arranging their own separate covers. Personal / individual cover is seen as a parental responsibility and it is your decision as to whether you feel it is appropriate to obtain this.

Please be advised, however, that the Duty of Care aspect below is not insurance related:

Duty of Care

The Authority has a duty of care in respect of pupils in its charge during school hours and as such has to take reasonable steps to ensure the safety of all primary and secondary pupils.

It may be necessary to provide supervision for primary children on school premises before or after normal school hours if their early arrival or late departure is due to the timing of official school transport. This general duty of care continues if the children go home by way of school transport and ends when the child gets off the bus, at which point the parents then become responsible.

42 Data we hold and what we do with it.

As you are aware the new General Data Protection Regulations (GDPR (EU) 2016/769 came into force on Friday 25th May, 2018. This change to the law gives parents/carers and young people greater control regarding how their personal data is used.

Aberdeenshire Council is committed to full compliance with these regulations. When you are asked for information by Education & Children's Services, we will tell you why we are collecting the information, how long we will hold it and the legal basis for gathering this information. A Privacy Notice has been issued to all schools relating to the information we hold on yourself and your child/ward.

43 The information we collect from you

Aberdeenshire Council collects personal data and information about your child in order to provide your child with a school education.

We will normally only share information (other than in child protection situations) in order to provide services for your child as part of his/her school education. We collect special category data about your child and process this because it is in the substantial public interest.

The information held by Aberdeenshire Council is used to assess, plan, coordinate, deliver and quality assure the education services to your child. The Council does not use an automated process for making decisions about your child or the services required; decisions are made with you. We will keep this information for a period of 5 years from the maximum school leaving age of your child, as required to by The Pupils' Educational Records (Scotland) Regulations 2003, unless we have a legal responsibility to keep the information for a longer period of time.

44 Your Data, Your Rights

You have legal rights about the way the Council handles and uses your data. More information about all of the rights you have is available on our website at: <https://www.aberdeenshire.gov.uk/online/legal-notices/>. Alternatively you can contact the Council's Data Protection Officer by emailing DataProtection@aberdeenshire.gov.uk or in writing at: The Data Protection Officer, Town House, 34 Low Street, Banff, AB45 1AY.

You also have the right to make a complaint to the Information Commissioner's Office, ([https://ico.org.uk/.](https://ico.org.uk/)) They are the body responsible for making sure organisations like the Council handle your data lawfully.

45 Legal Basis for Processing

The Council, as an Education Authority, is legally required to deliver an education to your child under the terms of the Education (Scotland) Act 1980 as amended.

46 Parental Access to Records

Access Requests are the formal process by which individuals can seek information held about them (or their children) by the council. The requests can be broad, in terms of everything that is held, or quite specific - everything held by a specific department, establishment, team or individual. We have a legal requirement to provide the information under the Data Protection Act 2018. An Access Request is wider than an Educational Record in that it will include all personal data held about a child not just their educational record. Further information can be found at:

<https://ico.org.uk/your-data-matters/>

The Pupils' Educational Records (Scotland) Regulations 2003 means that you can get access to your child's records. Details of the regulations and process for obtaining information specific to pupils are available by contacting the school directly or can be found at:

<https://education.gov.scot/parentzone/my-school/general-school-information/My%20child's%20record>

47 ScotXed

If you have any concerns about the national ScotXed data collections you can email the Head of Schools Analysis, Mick Wilson, at mick.wilson@scotland.gsi.gov.uk or write to The ScotXed Support Office, Area 2D, Victoria Quay, Leith, EH6 6QQ. Alternative versions of this page are available, on request from the ScotXed Support Office, in other languages, audio tape, Braille and large print.

48 Information Sharing

In terms of effective communication, including sharing relevant and proportionate information, where appropriate, Aberdeenshire Council in accordance with the Data Protection Act 2018 and Human Rights Act 1998 adheres to this as part of our current routine practice.
